**IMPACT
FORAGE
UTILIZATION**

**LOW, LOW
COST TO
FEED**

“When I use Riomax[®] I have really tight calving...
on 400-500 head, 2 cycle at 80-90%. Now that is darn good and
my neighbor is jealous and wants to know what I owe this to?

I tell him Riomax[®] tubs.”

-DARREN, RANCHER IN KANSAS
