THIRD PARTY TRIAL OF RHYZOGREEN[®]

Across 2024 and 2025, Agrithority trialed Rhyzogreen on alfalfa in Kearney Nebraska and Yuma Arizona.

KEARNEY, NE TRIAL

YUMA, AZ TRIAL

Avg.
13.88%
increase in
tonnage

LET'S CRUNCH THE NUMBERS...

Avg. increase of .53/tons per acre

$0.53/\text{tons} \times \$200/\text{ton} = \$106$ additional revenue

$\$106 - \$28.50$ cost of Rhyzogreen
 $- \$15/\text{acre}$ application cost = $\$62.50$ net profit

Another way to look at it is, $\$219.30$ dollars in profit for every $\$100$ spent on Rhyzogreen
